

Foothills STFT Smart Form Changes May 21, 2010

Foothills will release the new Smart Form for Short Term Firm Transportation (STFT) Bids May 21, 2010. This is to allow Shippers an opportunity to view the new form prior to bidding for June STFT.

The most notable change is the new drop down list for Company Legal Name; if your company name does not appear on the list please contact either Catherine Laughton at 403.920.5519 or Sherry Hill at 403.920.2619 to set up a Foothills STFT Agreement.

A welcome addition is the Zero Rate GST/HST selection now included on the form, when “yes” is selected a Zero Rate GST/HST Declaration Form will print with your STFT Bid.

If you have any questions or comments, please contact Catherine Laughton at 403.920.5519.
