The undersigned requests GTN to grant its Market Center Agent authority in accordance with Paragraph 26 of GTN's FERC Gas Tariff, Third Revised Volume No. 1-A as follows:

26. Market Centers

The Market Center is defined as a point of interconnection between GTN and other pipelines and local distribution companies. GTN shall provide for Market Centers on GTN. Parties wishing to use Market Centers on the GTN System shall contact GTN for this service. At these Market Centers, entities may trade gas quantities without actively shipping the gas either upstream or downstream of the Market Center. Such entities must nominate for the gas transactions in accordance with the nomination procedures of the Transportation General Terms and Conditions of Third Revised Volume No. 1-A. An entity's nomination for upstream supply and downstream delivery must match the corresponding upstream Shipper nomination and the downstream customer request.
